Walk from This is the Place to Utah's Hogle Zoo to help fight diabetes

Over 18 million American's have diabetes, including 100,000 Utahns, yet one third of these people don't even know it. Diabetes claims more lives than breast cancer and AIDS combined.

Join us at America's Walk for Diabetes to raise funds for diabetes research, education programs and advocacy, while having a great time with friends and family. Walk as a team or individual on one of three routes—2.5 miles, 4 miles, and 5 miles—from This is the Place Heritage Park to Utah's Hogle Zoo, then enjoy a barbecue lunch and spend the rest of the afternoon at the Zoo!
